### Charity in the news:

We would like to thank everybody who helped out in the month of June with both of our charity events!

#### 1st Event-

One of our own staff was effected by the flooding in June. We would like to thank all of the local businesses and community that help support one of our own.

#### 2nd Event- Chance for Chandler

We were so excited to be apart of this wonderful event for such a great cause! We all believe that Chandler will grow up to be someone very special. We just would like to give our thanks to the Whitestown legion and all the hard work that they put into the event.

If you have any special events that you may need support in, please feel free to email us with your suggestions. Please note that the American Cancer Society is our main charity that we support.

### New Menu Items:

New items this month include: Potato Encrusted Tilapia, Seared Cajun Tuna Sandwich, Roast Beef Sandwich, and a Turkey Club. Also, just wait and see what we did with our wings. Mmmmmm good!

### Letter From The Owner:

As usual the patrons of DC's have out done themselves again! The past month has been such a great opportunity to meet everybody, and raise money for such great causes! As you can see we have allot of great bands coming this month, along with two wonderful headliners! And as always NO COVER! We at DC's don't want you to have to pay to come to your local Pub! We also have some great news announced this month! DC's PUB is now one of the official locations of the "Blue Crew" (Colts Ultimate Fan Club) for Colts Games! The Blue Crew has been gracious to select our Pub as there location for away games as well as home games. Just wait and see what we have in store for Football Season! Last but not least we would like to thank all of our bikers that have made bike night a great success! We look forward to even more great nights and great
